The Farmers Market of Bluffton is busy preparing for the Opening of its regular Season on Thursday, March 17, 2:00 pm - 7:00 pm. Located in historic downtown Bluffton along Calhoun and Lawrence Streets and through Carson Cottages, this family friendly market showcases local growers, local food vendors, local entertainment, local community causes and local information about the Bluffton area.

“This season promises a crop of new vendors, a new web site, new programs, guest chefs, a newsletter and much, much more,” said Kim Viljac, Manager of the Farmers Market of Bluffton.

The outcome of a grassroots movement that began in 2006, this vibrant market opened in 2008 at the Bluffton Oyster Company Park on the May River and was managed by volunteers. Because of the huge public response and its potential growth, the market moved to its present location. The current site not only serves the public better but also promotes downtown Bluffton merchants to tourists and locals alike.

Kim invites all to join us as “Goin’ Green” takes on a whole new meaning on opening day, March 17!
